DIMENSIONS AND CONTENT OF MAIL ITEMS

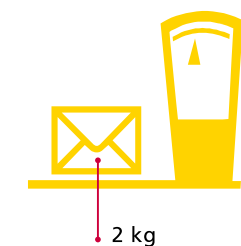

DHL GLOBALMAIL BUSINESS offers pick up of all types of international mail. Mail items are defined as those with the following dimensions:

	Rectangular shape	Cylindrical shape
Maximum size (L x W) / (L x 2R)	14 x 9 cm (5.5 x 3.5 inches)	15 x 5 cm (5.9 x 2 inches)
Maximum size (L + W + H) / (L + 4R)	90 cm (35.4 inches)	104 cm (40.9 inches)
Maximum single side (L or W or H or 2R)	60 cm (23.6 inches)	90 cm (35.4 inches)
Maximum weight	2 kg (4.4 lb)	2 kg (4.4 lb)

The content of your mail item needs to be in line with our list of restricted items. Examples of mail items include commercial documents, contracts, invoices, but also odd-shaped items, such as gadgets, sample material, posters and low value spare parts.

This means that, in case your mail item does not meet the requirements in terms of dimensions or weight, it cannot be sent as mail. We can provide you with further information to ensure that your mail goes through the Global Postal Networks in the optimal way by following our mail standards and guidelines.

DHL GLOBALMAIL BUSINESS gives you total convenience and saves you money.

WHAT DO WE NEED TO DO FOR YOU TO START USING DHL GLOBALMAIL BUSINESS?

A CROSS DEUTSCHE POST DHL OFFERING

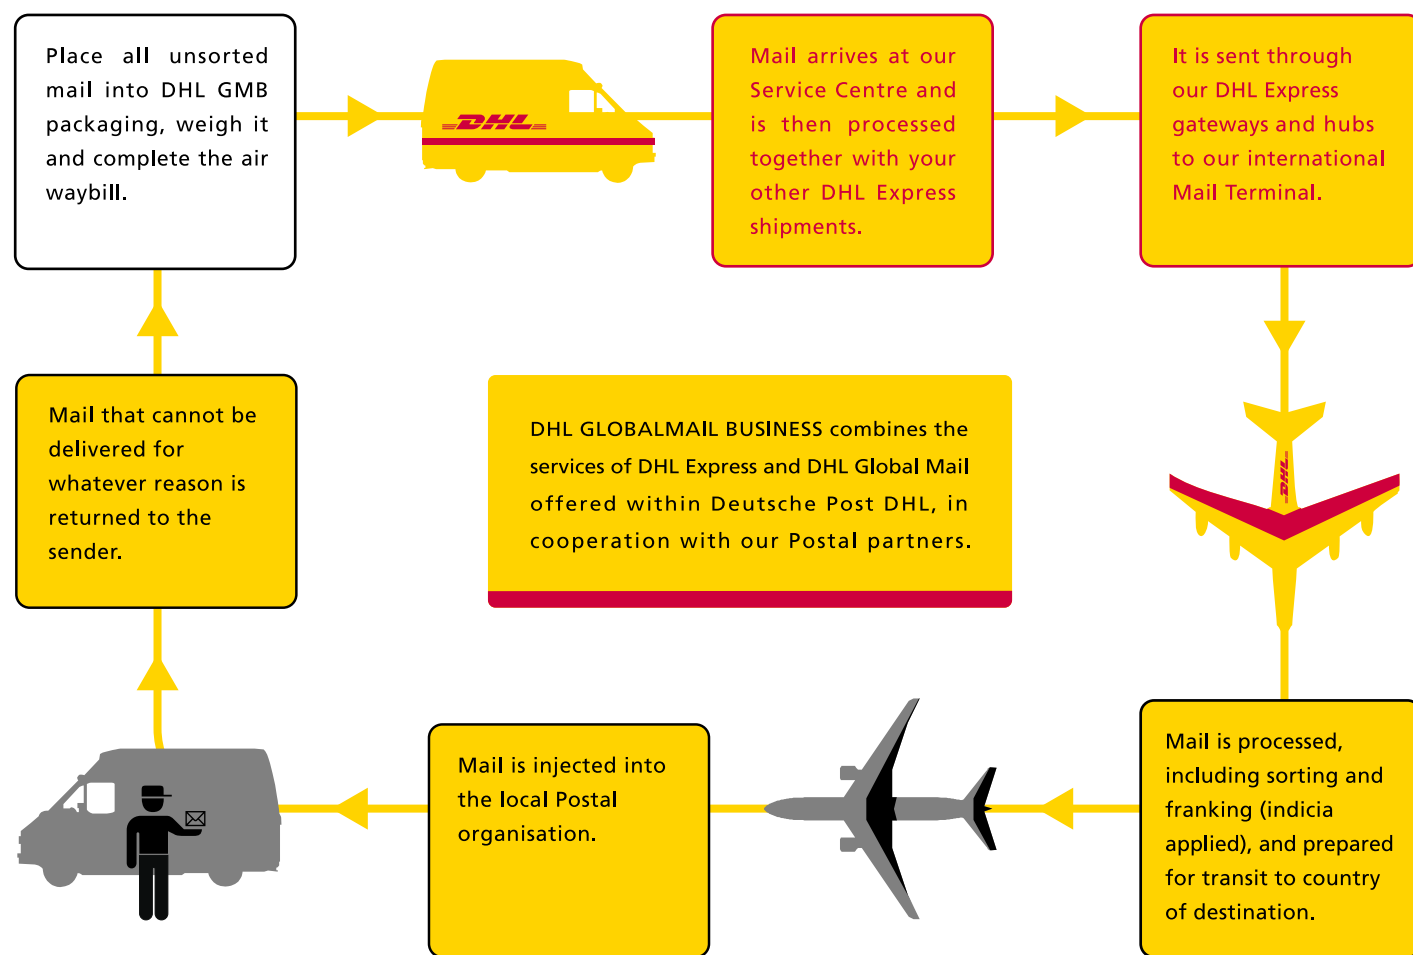

HOW TO START USING THE SERVICE?

BETTER TOGETHER

DHL GLOBALMAIL BUSINESS combines the services of DHL Express and DHL Global Mail offered within Deutsche Post DHL. DHL Express handles the mail from pick-up to arrival at our Mail Terminal. DHL Global Mail then takes over at our International Mail Terminal, where we perform the sorting, franking, and dispatch to the international postal network for final delivery.

Deutsche Post is known for high quality postal services and we provide you access to our international mail distribution network through DHL GLOBALMAIL BUSINESS. You can track your Express air waybill until arrival at our International Mail Terminal.

In cooperation with our Postal partners, we also offer a returns process, to ensure that your undeliverable mail is returned to you.

IT'S EASY!

1. Let us include DHL GLOBALMAIL BUSINESS in your existing agreement with DHL Express.
2. We will ensure that you get pre-printed air waybills and GMB packaging, and will inform our collection organization that they should also pick up your DHL GLOBALMAIL BUSINESS in the future. We will also ensure that the agreement is reflected in our billing systems.
3. If you use any of our customer automation systems, you might need to do some configuration to enable the system to accept DHL GLOBALMAIL BUSINESS.
4. You then perform the following steps 1, 2, 3 to send DHL GLOBALMAIL BUSINESS.

AS EASY AS 1, 2, 3!

1. Just collect all of your international mail in the packaging we provide.
2. Weigh the bag at the end of the day.
3. Complete the DHL air waybill.

Then leave the rest to the professionals from your international business mail provider, DHL GLOBALMAIL BUSINESS. Your regular DHL courier will collect your mail and our international Express and Mail network will do the rest!
