

DHL TRADE FAIRS & EVENTS LOGISTICS FOR YOUR EXHIBITION NEEDS

Consultation. Delivery. On-site logistics. We support you – world-wide.

DHL TRADE FAIRS & EVENTS is your experienced partner for the reliable, punctual delivery of your trade fair and events equipment, including your exhibits, stand and promotional material. You tell us when and where in the world it needs to be, and we'll get it there on time.

We make a difference.

- We find the most efficient solution to operate your material – on- and off-site
- During the exhibition, we take care of your equipment – if you want us to
- We bear in mind that your goods have to get back again quickly and cost-efficiently. Or on to the next event

Our extensive portfolio of services for trade fairs and events logistics enables you to relax and concentrate on your visitors and your customers. Let us take care of the logistics. After all, it is what we do best.

YOUR SUCCESS IS A MATTER OF LOGISTICAL PLANNING AND PERFECTION.

With half a century's experience in this field, DHL TRADE FAIRS & EVENTS is your specialist for the planning, execution and support of logistics services specific to trade fairs and events. Our teams of skilled and dedicated employees throughout the world are familiar with the shipping, handling, import and export requirements associated with exhibitions and trade fairs, offering you customised solutions for your logistical needs.

Contact us: let us take care of your logistics, and we'll let you get on with the important business of making the right impression at the right time.
